HOLSTEIN VS. ALTA

For the first game of the season the Pirates downed the Alta Cyclones, showing some possibilities for the season. The Pirates line was a tough nut that Alta couldn't crack. The final score, 29 to 7.

HOLSTEIN VS. MOVILLE

The Pirates showed some improvement over their first game with Alta. The first half was almost an even struggle, neither side being able to score until the Pirates hit pay dirt during the last few minutes of play in the second half. The second half found the Pirates scoring again. The final score 18 to 7.

HOLSTEIN VS. DUNLAP

In this game we saw Schulz score on a sneak through the line. Striepe also cut loose on an end run in which McDermott threw a beautiful block to save the day. Jim Lenz intercepted a lateral and went all the way for a touchdown. Wirkus and Goettsch also converted. The final score, 38 to 13.

HOLSTEIN VS. ONAWA

The Black Pirates tasted defeat for the first time during the season as Onawa won 27 to 12. Both teams were good in their running game, but Onawa had the edge in their passing as they heaved for three touchdowns.

HOLSTEIN VS. CORRECTIONVILLE

In their second conference game the Pirates snowed under the Correctionville Warriors by a score of 55 to 0. On the first play Striepe shook loose and went all the way. The Pirates scored again on a Leonard to Gerber pass. Jim Lenz scored for the Pirates on a beautiful run.

HOLSTEIN VS. KINGSLEY

In a game played on a muddy foreign field, the Pirates overpowered Kingsley 25 to 0. During the second half the Pirates were without the services of Kenny Goettsch. Arp took over fullback with Schulz calling signals.

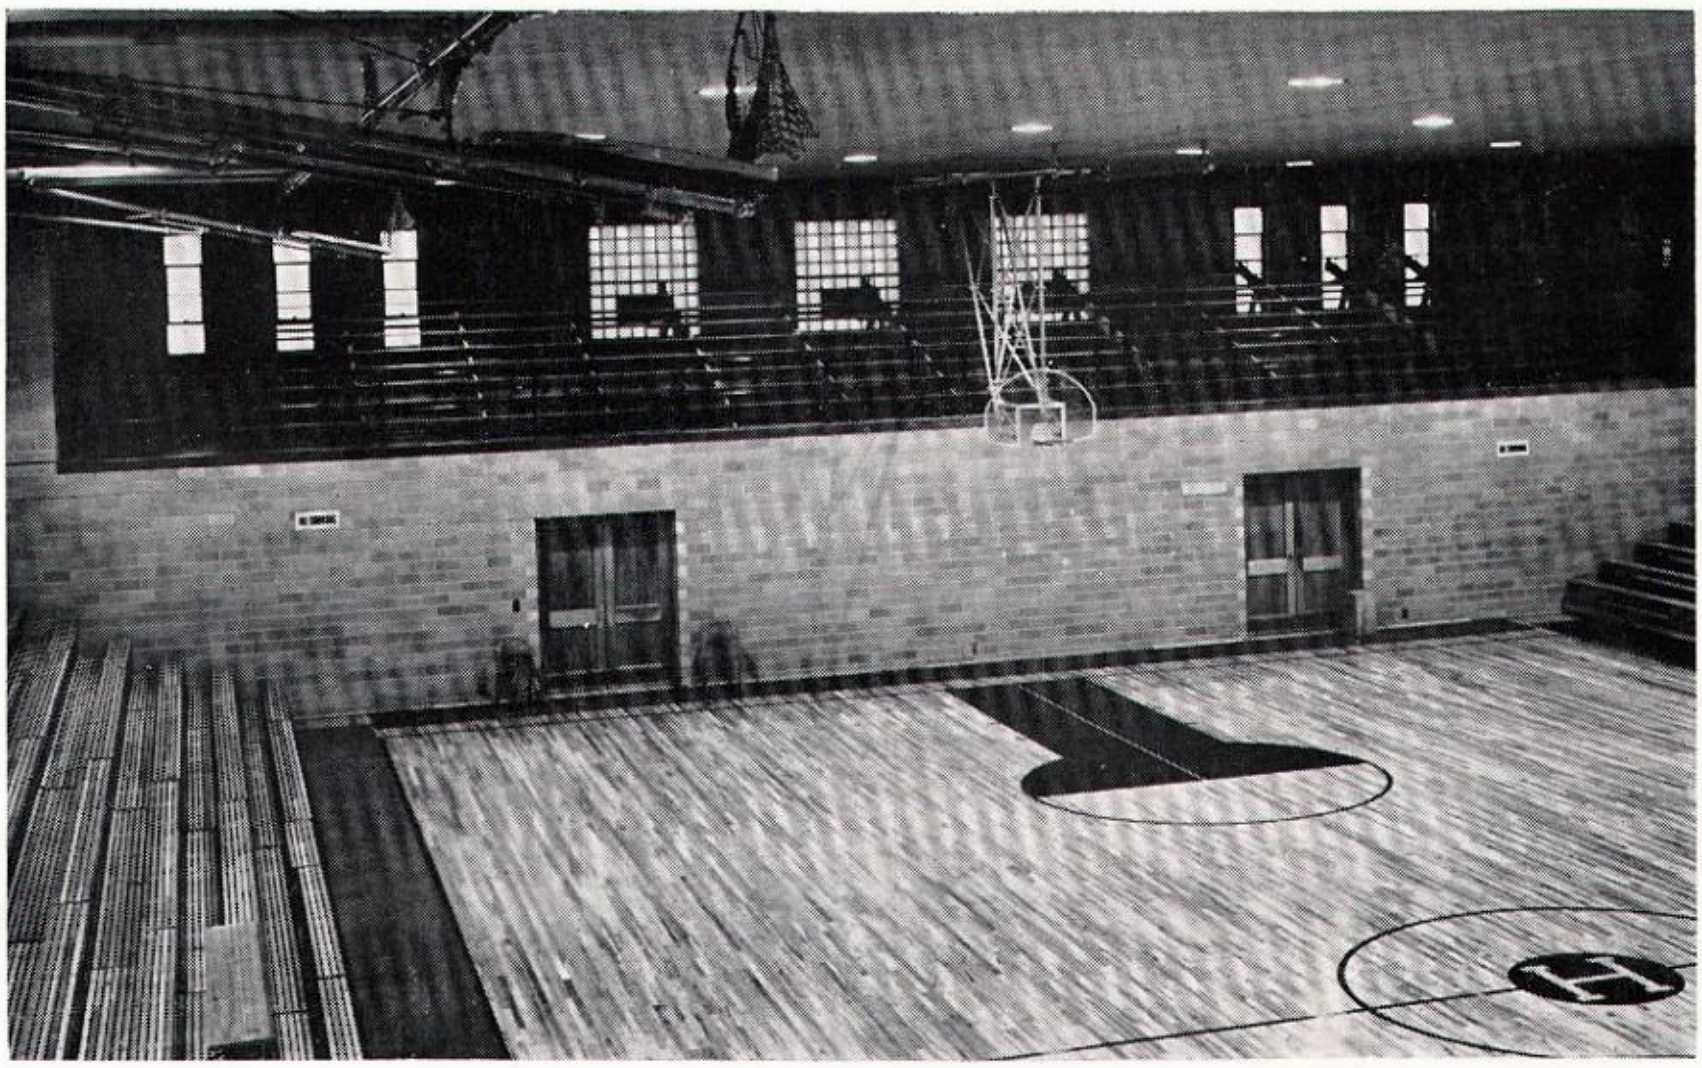
Boys' Basketball Summary

The Black Pirates started off their basketball season with some stiff competition like Meriden, Hartley, and Aurelia. The opening games were too much for the Pirates, mostly because they were still on the gridiron only one week before the first basketball game.

Holstein started rolling after the Pirates defeated Anthon 34 to 27.

Soon afterwards Holstein made Quimby, Washta and Arthur bow to them in defeat. Many other thrilling victories followed as well as some tough losses that had to be taken.

In the Maple Valley Tournament Holstein took out Arthur with a score of 45 to 22. Danbury defeated Holstein 31 to 45 in the tournament.



This gym was the scene of many athletic events during the 1952 season. The cinder men got an early start on their performances this season although there was a bit of wet weather. Graduation hampered the thinclads somewhat but they were still able to collect seven points in the big Holstein Relays, April 11.

On April 18 and 19 the boys journeyed to Pocahontas and Cherokee respectively for the relays but were not able to garner very many points. By the time the Maple Valley and Ida County Meets roll around, the boys will no doubt, be a more definite threat and may be able to take home some meets.

Opening their season with a 41-19 victory over Melvin, the Piratettes proved that they were mighty though small. They whizzed by Meriden with a 49-35 win. The sextette were handed their first defeat by the rangy girls of Hartley.

Galva seemed to be a thorn in Holstein's side, but Holstein whipped them by a safe margin in the Maple Valley Tournament. The Piratettes took revenge for a defeat by Arthur in the second game of the tourney.

Holstein played Hayes in the first game of the District Tournament. They had a fairly easy time of it, coming out on top by the score of 57-27. By defeating Galva and Arthur in two breath-taking games, Holstein won top honors to garner the first trophy of the season.

Holstein fell to the State-bound Little Rock team in the first round of the District Tournament at Spencer. The girls did not play their normal brand of ball when they were beaten by Webb in the consolation game.

At the end of a very successful season the Piratettes had a grand total of 16 wins and 7 losses. The average number of points netted per game was 49.

The Adventures of Tom Sawyer

Tom Sawyer came to life on the stage of the Holstein gymnasium—auditorium December 3, 1951, when a cast of players chosen from the entire high school presented "The Adventures of Tom Sawyer." The story centers around Tom; his two pals, Joe Harper and Huckleberry Finn; his sweetheart, Becky Thatcher; and his former sweetheart, Amy Lawrence.

Tom, played by Willis Buell, is a typical American boy who is always into mischief and who doesn't like to comb his hair or wear shoes. Huck, played by Hiram Leonard, is a ragged, dirty boy about Tom's age who loves adventure and has plenty of it. He and Tom become rich when they find a chest of buried treasure, and famous when they are responsible for the arrest of Injun Joe, (Duane Ruser), for the murder of Doc Robinson. Joe Harper, played by Wayne Nelson, is another typical American boy. These three boys have great times running away to be Pirates and coming back just in time for their own funeral service.

Becky, a sweet, shy, little girl with golden pigtails, is played by Janice Lohff. She and Tom feed each other jam and become engaged in the first act, only to have a fight in the second. Their fight is over Amy Lawrence, a black-haired girl of a rich family and Tom's former sweetheart, played by Lois Striepe. Of course, Tom and Becky become engaged again and after finding the treasure Tom can take Becky to the circus and buy a bushel of peanuts to feed the elephants.

Other characters in the play are Mary, played by Jerri Cole, and Sid, played by Jerry Langland, Tom's cousins. Sid is a sissified boy who is always primping. Aunt Polly (Marlene Schroeder), Tom's aunt, pretends to be stern, but is always won over by Tom's winning ways. Mrs. Harper, Joe's mother, played by Margaret Lembcke, and Widow Douglas, who wants to adopt Huckleberry Finn, played by Florence Kruse, are two of Aunt Polly's friends. Judge Thatcher, Becky's father, is played by Mickey McDermott. He brings a lot of laughs into the play. Jim, a colored boy, played by Martin Lohff, is terribly afraid of ghosts.

These characters with the crew and our director, Mrs. Piper, brought to the stage a hilarious comedy.

Although the sophomores sometimes seem to be the most forgotten class in Holstein High, they proved themselves to be an important part of our school.

They sponsored two dances throughout the year and participated in all extracurricular activities. The sophomores had many students on the honor list and during the track season served the concessions. Spring found them conducting a very successful magazine selling campaign under the direction of their sponsor, Mrs. Kuchel.

After a few weeks elapsed, the Freshmen Initiation Day finally came. Posing as Samson and Delilah, the Freshmen came to school not knowing what was in store for them. After many foolish stunts in the morning and the Initiation Dance at night, the Freshmen became full-fledged students of H. H. S., under the direction of their sponsor, Mr. Piper.

They proved throughout the rest of the year that they were a valuable asset in athletics, music, and other activities by their good sportsmanship and pleasing personalities.

BRUCE BYE

Expressing Our Gratitude

We, the Senior Class of 1952 wish to express our sincere gratitude and appreciation to Bruce Bye and his "ADVANCE" staff, who have made the publication of this, our annual, possible.

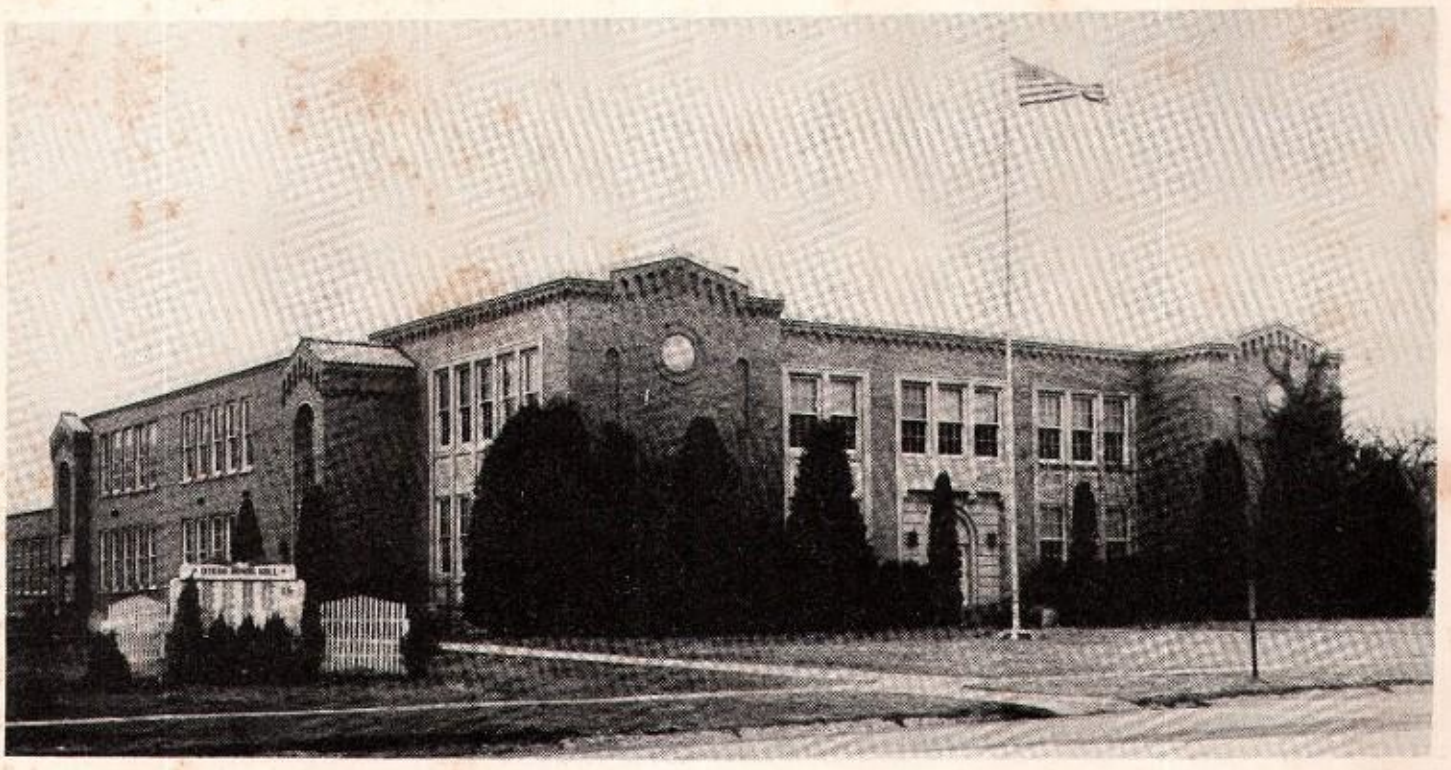
OTEGO CENTRAL SCHOOL



By the maple trees surrounded
And a lawn that's always green
Stands our dear Otego High School
Place of many a pleasant scene.
With the hills and trees behind it
'Mong the buildings of the town
Is it not a pretty picture of the
Orange and the Brown

When at first we entered high school
We felt so strange and shy
And many a problem vexed us,
Causing oft a long drawn sigh
But as the days rolled by us
And the regents came around
We were well prepared to answer for the
Orange and the Brown

Through the next three years of high school
In the rooms we love so well,
We gain a broader knowledge
Of the things that life will tell:
And we win athletic victories
O'er the teams of nearby towns
Still we work for dear Otego and the
Crange and the Brown

CLASS OF 1952

MR. SVOLOS

As principal of our school, directs a diversified program of activities and classes. Upon his capable shoulders rests the tremendous responsibility of managing our institution of learning. However, no question is too small or insignificant for his undivided attention and good advice. He will be remembered as a guiding hand throughout our Senior year.
